What did you do with the proceeds? _____

UNSECURED AND PRIORITY DEBTS:

An unsecured debt is where a creditor cannot take away any personal property or real estate in the event that you become unable to make payments on the account. If the creditor cannot take any property from you if you stop making your payments, then that is considered an unsecured debt. Unsecured debts are usually credit cards, (except debit cards or a secured credit cards, such as a prepaid bank card), or a credit card that is secured by some other property, such as from City Furniture or Best Buy. Medical bills are also considered unsecured debts as you did not have to put up any collateral in order to obtain the extension of credit.

What is the total approximate amount of your unsecured debt? \$ _____
